What do we do?

Reporting Center delivers **Banking Intelligence** and **RegTech Solutions** for the Financial Industry (Banks, Non-Bank Financial Institutions & FinTech).

We are focused on engineering flexible-by-design **reporting systems** solutions able to accommodate the frequently changing regulation in banking.

Established in 2015, the company operates through two branches in Bucharest and Constanța, and its proprietary Elite Reporting Platform has been implemented by **more than 20 financial institutions** in **Romania, Moldova, and the United Arab Emirates.**

Competente tehnice

1. Oracle/Ms SQL&PL/SQL, BI, ADF,.NET&Cloud
2. Elite Reporting Platform, DWH, AI
