

# Microsoft 365 Copilot: The AI That Puts Safety First

Security, privacy, and responsible AI at the core of every experience

Adrian Popescu | Cloud Architect

25.03.2026

# Agenda

- Introduction
- About SoftwareOne
- Benefits of Microsoft 365 Copilot
- Security in Microsoft 365 Copilot

MISSION:

# We are SoftwareOne.

**Always on your side,  
making technology matter.**

We guide organizations worldwide to create meaningful outcomes with technology. With deep expertise in software, cloud, data and AI, we optimize investments, drive innovation, and boost efficiency so your technology works harder for you. **Always.**

OUR EXPERTISE

# SoftwareOne is your partner across the evolving IT landscape

No matter your goals, we offer end-to-end services built on proven frameworks and 24/7 support so you're never navigating alone.

## How we can help you:

### IT Cost Management

We help you optimize and control technology spend.

We streamline your software and cloud systems to boost efficiency and cut costs.

FinOps  
Software Asset Management  
Compliance  
GreenOps

### Software & Cloud Sourcing

We help you procure the right software at the best value.

Smart solutions for software and cloud needs. We handle licensing, so you don't have to.

Digital Supply Chain  
Enterprise Apps  
Procurement Solutions  
Multivendor Offerings

### Cloud Services

We help you run and manage your IT estate with confidence.

We offer expert advice and manage your IT services, no matter the platform or technology.

Migrate & Modernize  
Digital Workplace  
Cybersecurity  
IT Support

### Data & AI Solutions

We help you build and scale intelligent solutions.

We develop tailored and integrated solutions that support smarter decisions and modern digital experiences.

AI Agents & GenAI  
Data Platforms & Analytics  
ML & Automation  
App Services

MICROSOFT 365 COPILOT

# Microsoft 365 Copilot Advantage

Your AI assistant for work

**Integrated in the tools  
millions use every day**

Word, Excel, PowerPoint,  
Outlook and Teams

**Understands your  
work context**

Trillions of signals in the Microsoft  
Graph deliver personalized and  
relevant responses

**Extends to your  
business data**

1400+ pre-built connectors to reason  
over your systems of record and  
line of business apps

**Customize to  
make it your own**

Create extensions with your 1P & 3P  
data and apps using Copilot Studio

**Enterprise-grade security,  
privacy, and compliance**

Inherits Microsoft 365 security, permissions,  
policies, and admin controls. Built-in data  
governance with enterprise data protection.  
Responsible AI

**Measure AI impact  
and business value**

Tools to drive adoption and impact with  
Copilot Lab, Learning Academy and the  
Copilot Dashboard

# Microsoft 365 Copilot is the AI assistant you can trust

## Security

Honors your existing permissions

Persistent label inheritance  
and DLP policies

Risk-based conditional access and  
endpoint management

## Governance & Compliance

Ramp your data preparedness for AI

Detect and investigate non-  
compliant usage

Guided assistance to remain  
compliant with AI regulations

## Privacy

You control your data

You control your data location

Your data isn't used to train  
foundation models

Your Microsoft 365 security, governance, compliance, and privacy policies

# Secure and govern Copilot with Microsoft Security

## Discover AI risks

Identify sensitive data in Copilot interactions with ready-to-use classifiers and labeling

Understand user activities and detect risky access to Copilot with audit logging

Identify potentially overshared content by reviewing SharePoint site permissions

## Protect sensitive data

Protect access to sensitive data in Copilot interactions with persistent labeling and DLP policies

Restrict or block risky access with risk-based conditional access and endpoint management

SharePoint site wide access controls

## Govern Copilot usage

Retain and log Copilot interactions, automatically remove inactive content

Use built-in classifiers to detect non-compliant use of Copilot

responses to investigate security and compliance incidents

# Thank you!
