- the realization of the projects based on some products coming from the client,
 - restoring old documentations and correcting them
 - cliché drawings / graphics to print the finished product. The graphics, in most cases, were made on the basis of an image,
 - the realization of drawings for different types of matrices,
 - contacting the customer if the e-mail received from them is vague or they want something that would involve a high cost and this could be reduced,
 - customer support for improving projects,
 - checking the stocks and choosing the material based on the MOQ desired by the customer, for example, in a unique quantity of 100 pieces, we tried to procure an already existing material for the specified MOQ, so that the customer receives the boxes at a good price and a good quality,
 - raw material order for the different types of projects for plotter,
 - verification of matrices and clichés from supplier,
 - correcting clichés if they were sent incorrectly from the supplier, here I mean adding a fleck (a small portion of cliché, for example a number that the supplier has omitted) or removing cliché parts if they are replaced annually,
 - checking both new projects entering production and the finished product to be in accordance with the client's request,
- Developed skills:** coreldraw, problem solving, adaptability, communication, creativity, critical thinking, empathy, patience, management

 pașii de recrutare/etapele interviului

► De ce nu sunt sunat dacă am aplicat?...

- **Linkedin**

- **Facebook**

- ▶ Este unul dintre cele mai mari motoare de căutare de profile
- ▶ Se aseamăna cu facebook, dar este o platformă cu un nivel de profesionalitate mai ridicat (news feed, poți da share anunțurilor de job, poți posta, da like)
- ▶ Este mult mai ușor de folosit față de celelalte canale de recrutare, poți utiliza cuvinte cheie la motorul de căutare și primești rezultatele în câteva secunde
- ▶ Găsești multe profile asemănătoare, șansele sunt mai mari să se identifice un profil adecvat pentru o anumită poziție

- ▶ Candidații pot fi abordați de diverse firme de recrutare pentru oportunități profesionale high-level
- ▶ Își pot expune pachetul lor de skill-uri pentru a putea fi contactați cu oportunități profesionale potrivite profilului lor
- ▶ Metoda aceasta este mai eficientă deoarece s-au realizat și aplicații pentru mobil
- ▶ Este ușor de contactat o persoană și de păstrat legatura cu ea

Vă mulțumim pentru implicare!

Mult succes la interviuri!
